FMK Labs is a leading private label and contract manufacturer. We offer formulation, compounding, filling, packaging and quality assurance services for personal care & color cosmetic products. At FMK we pride ourselves in consistently being at the forefront of the industry, continuously innovating formulas with the latest technology and the newest trends, all at our state-of-the-art facility. Through our incredible passion and drive for perfection we have well established ourselves as an industry leader in a myriad of specialties ranging from higher end and natural-based cosmeceutical skin care, all the way to prestige color and OTC formulations.
