# GCS Introduction

**"We're taking a step forward with trust and confidence."**

Since the early 2000s, when even the term "overseas intern" was unfamiliar, Global Career Solution Group (GCS) has been established to provide various internship environments for students around the world, realizing that employment issues are not unique in only one country.

## GCS' representative program

### New York Internship Program

As the competition among personnel is getting more severe on global basis, hardship for quality employment is not only affecting one person or one nation. But we still see the opportunity amongst this difficult era! Internship in New York where global companies and financial entities are centered will greatly support you for your successful job employment and strengthen your work skill wherever you start your career after this internship.
