2. Click the **[수업관리]**(class management)-**[수강신청내역조회]**(Check for course registration) and **[대학원과목시간표조회]**(search timetable). **Check the semester!**

<How to search the grade>

The screenshot displays the '영남대학교 학생종합정보시스템' (Yeungnam University Student Information System) interface. On the left, a blue sidebar contains a '메뉴정보' (Menu Information) section with a list of options: '학적관리' (Academic Management), '수업관리' (Class Management), '성적관리' (Grade Management), '누적성적조회' (Grade Search), '보통과목조회' (General Course Search), '등록관리' (Registration Management), '병사관리' (Medical Management), '생활관(경산)' (Residence Hall (Gyeongsan)), and '기타관리' (Other Management). The '성적관리' and '누적성적조회' items are highlighted with red boxes. Two red arrows originate from these boxes: one points to the '누적성적조회' button in the top navigation bar, and the other points to the '누적성적조회' option in the left sidebar. The main content area shows a search interface for '누적성적조회' with a table of search criteria including '년도/학기' (Year/Term), '기초' (Basic), '전공' (Major), '전공필수' (Major Required), '전공선택' (Major Elective), '심화선택' (Advanced Elective), '필수' (Required), '선택필수' (Required Elective), '선택' (Elective), '계' (Total), '총점' (Total Score), '평점평균' (Average Grade), '실점평균' (Average Score), '보통' (Normal), and '연구' (Research). Below this is a section for '학기성적' (Term Grade) with a table of search criteria including '년도' (Year), '학기' (Term), '이수구분' (Credit Type), '교과목' (Course), '학점' (Credit), '실점' (Score), '등급' (Grade), and '평점' (Grade Point). The bottom right corner of the interface shows the breadcrumb '성적관리>누적성적조회'.

1. Click [**성적관리**](grade management) and [**누적성적조회**](grade search)
