All the PSPS students are getting scholarship of tuition waiver but students are required to make registration procedure before every semester starts. The students who did not complete coursework should make successful registration and they will have status to study at PSPS for next semester.

While making registration, you will be asked to pay other fees such as Advisor Instruction Fee (mandatory), Students Council Fee, YU Health Care Service Fee and Graduation Fee.

In the URP system, you can choose what you want to pay. Mandatory fee will be charged automatically and other fees are under your choice.

<b>Advisor Instruction Fee</b> 지도교수비 KRW 50,000 (Mandatory)	This is for advisor's instruction and consultation on your thesis and other academic concerns.
<b>Student Council Fee</b> 학생회비 KRW 50,000	Student Council Fee will be used for the purpose of service to PSPS students by the PSPS Student Council. Student Council works on behalf of PSPS students and it offers several services and events for PSPS students. You will enjoy the benefit by paying student council fee.
<b>YU Health Care Service Fee</b> 건강공제회비 KRW 23,000	All the international students are required to join insurance service in case of unexpected accident.
