

## Notice of Payment Registration for spring semester of 2015

All PSPS students who are receiving scholarship tuition are required to complete registration procedures before every semester starts. The students who did not complete their coursework should make a registration payment and they will have status to study at PSPS for next semester.

While registering, you will be asked to pay other fees such as Advisor Instruction Fee (mandatory), Students Council Fee, YU Health Care Service Fee and Graduation Fee.

In the URP system, you can choose what you want to pay. Mandatory fee will be charged automatically and other fees are under your choice.

<b>Student Council Fee</b> 학생회비 KRW 50,000	Student Council Fee will be used for the purpose of service to PSPS students by the PSPS Student Council.
