

Notice of Payment for Summer Semester, 2017

All PSPS students receiving a scholarship are required to complete registration procedures before every semester starts. The students who did not complete their coursework should make a registration payment and they will have status to study at PSPS for next semester.

※ **Those who will be in their 4th semester also must register for this summer semester.**

While registering, you will be asked to pay other fees such as Advisor Instruction Fee (mandatory), Students Council Fee and YU Health Care Service Fee.

In the URP system, you can choose what you want to pay. Mandatory fee will be charged automatically and other fees are under your choice.

| Fees | | Notes |
|------------------|--|---|
| Mandatory | Advisor Instruction Fee 지도교수비 (KRW 50,000) | This is for advisor's instruction and consultation on your thesis and other academic concerns. |
| Optional | Student Council Fee 학생회비 (KRW 50,000) | Student Council Fee will be used for the purpose of service to PSPS students by the PSPS Student Council. Student Council works on behalf of PSPS students and it offers several services and events for PSPS students. You will enjoy these benefits by paying student council fee. |
| | YU Health Care Service Fee 건강공제회비 (KRW 26,000) | All the international students are required to join insurance service, in case of unexpected accident. Although most of PSPS students joined AIG insurance service, it usually does not cover small treatment such as cold. So, PSPS recommends you to join YU Health Care Service at YU campus by paying KRW 26,000 per semester and get those small treatments. |

After making selection of your fees, please print out registration bill and pay the fees by visiting Daegu Bank or transfer the exact total amount to the bank account indicated in your registration bill during registration period, **from 26th to 28th (until 14:00), June.** **If you are not in Korea, please ask your friend in Korea to register on behalf of you.** Please be sure that **each student has a different bank account number** in the registration bill, therefore each student has to transfer to your own account number.
