

The 3rd Country and Community Development Action Plan Contest 2017

Park Chung Hee School of Policy and Saemaul is holding a contest for PSPS students to apply their Saemaul Undong knowledge and expertise. All PSPS students are invited to establish action plans for your country and community development. You will have the opportunity to build communication and cooperation skills through teamwork and to develop policy making skills.

1. Theme: Application of Saemaul Undong to Country and Community Development
2. Entry Criteria:
 - PSPS students who will be enrolled for the 3rd or 4th semester and stay in Korea in the fall semester 2017
 - Teams of up to 3 people
 - Target country is limited to your home countries
 - In the event that there are no other students from your country, you can either work alone or form a team with students from another country and agree upon a single country amongst the team members' countries.
3. Guideline for action plan proposal is attached:
